NEWSLETTER

Greetings!

I absolutely cannot believe it is already February!! We made it through Middle of the Year STAR testing!! This time of the year always gets a little stressful because we are required to test every student at the beginning, middle and end of the year. This test is how students can earn competency credit and guides their counselors in creating schedules. As always it is always super important to communicate with your teachers and coaches as much as possible. Watch your gradebook, ask questions, it takes a team and we are all an important part of the team! Never hesitate to contact me by phone, email or TEAMS!! Happy February!!

Procrastinators Unite

Fountain/FLC SEG Diana Prestigiacomo started a Teams group named Procrastinators Unite! This group is all about curbing some of those procrastinator habits and helping students achieve academic success! We will have meetings every Friday at 11am to discuss some techniques to overcome the desire to procrastinate. Trust me, those habits don't go away once you become an adult so students will be hearing from some Goal staff that struggle with procrastinating and what they do to overcome it! If your student is interested in joining this virtual group please inform your academic coach or reach out to Diana directly through Teams.
